My journey with Carmel

It has truly been an incredible journey for me at Carmel and I feel truly blessed to have been a part of the wonderful Carmel family. This success would not have been possible without the tremendous efforts taken by our Mentor and Guide, Prof. Shibu Sir and all the wonderful Teachers at Carmel who took great pains to teach us, leaving no stone unturned, enduring great hardships, conducting lectures online, motivating us and encouraging us to give our best in the face of extremely difficult and challenging times. Shibu Sir was our guiding light and stayed connected with us throughout, inspiring us with his motivational talks and counselling sessions.

A special Thank You to our Class Teacher, Khushali Miss who took great care of us, supporting us and encouraging us throughout these crucial years. I can never thank our Coordinators, Janhavi Miss and Jeenal Miss enough, for always being there for us and arranging doubt clearing sessions for us till the very end.

A huge Thank You to the entire Staff, for being so supportive, loving and caring. I am truly grateful to Shibu Sir and the entire Team at Carmel for helping me achieve this success. I will always cherish and treasure the beautiful memories of these two wonderful years that I have spent in Carmel.

POOJA GUNJIKAR **97.40%**

The integrity and dedication of CARMEL CLASSES paired with the tremendous support by individual teachers have greatly contributed in my SSC score of 97.40%. The ability of the staff to curate materials and alter teaching methodologies to cater to each student, was beneficial to me especially, in being able to express my doubts freely and enhance my understanding over subjects.

The strong foundation laid by SHIBU SIR, the founder and principal of CARMEL CLASSES by his motivating seminars gave me an additional push to work harder still. I am greatly thankful to all my teachers and Miss Jeenal and Miss Janhavi for smoothly coordinating and ensuring a comfortable learning process.

I hold confidence in Team CARMEL in enlightening all its students, present and future towards building a successful career. My time at CARMEL CLASSES was truly rewarding and I am blessed to have learnt under such a great team of people.

SACHI KOTIAN **97.40%**

My journey with Carmel

It has been a great journey for me at Carmel Classes. Before 9th class I didn't like any subject except Mathematics. But because of continuous hardwork of teachers, inspired me for knowing more in a particular subject, by this almost all subjects became my favourite subjects.

I would also like to Thank Shibu Sir, principal of Carmel Classes, who brought us different stories of inspiration, which always inspired me, during the harshest time of pandemic. Whenever I had a doubt in a particular subject, it were teachers who used to clear doubts immediately. Even in the hard times, like of pandemic, teachers' good determination of teaching helped me to learn all the topics easily.

A special thank to Maliha Miss, because she taught us biology in such a way that we would never forget it. I would also like to thank supporting staff for helping me in studies which made my studies easier. Once again, Thank You to the entire staff for supporting me and caring me. It's because of the whole staff I scored 95.4% in class 10th. Whenever I reached classes I never felt like it was classes instead I felt that it's a family.

MALAY PANDYA **95.40%**

The timely seminars conducted by Shibu Sir gave us clarity on how the boards would be conducted this year, the motivation given by Sir as well us our teachers was invigorating.

The teachers are the true stars of Carmels....all very articulate, and always there to help you out. the teachers blend concept with fun which helps you grasp things better. The classes were very well coordinated be it online or offline.
